### Important notice with regard to the standardised cost information

#### General

All information provided follows the standards set by article 50 of the delegated regulation ((EU) 2017/565;DR) for the Directive 2014/65/EU of the European Parliament and Council in connection with § 63 Abs. 7 German Securities Trading Act.

#### Costs and charges

Costs and charges represented in the cost information are set out as ranges where the upper bound of a cost range defines the maximum costs in relation to the assumed notional amount. Your actual costs may be lower than the represented maximum costs. In case of differing notional amount as shown in the cost information the respective cost in EUR could be different.

#### Tax Information

This cost information does not take any tax effects into account. The interpretation of tax regulation can change in the future and can be applied retroactively. The Bank may be required to collect withholding taxes on some capital gains on behalf of the tax authorities. The specific tax treatment of the transactions varies individually. You should consult your tax advisor before closing any transaction.
