# Risk management - Limits

In addition to already existing risk management systems for controlling and monitoring of the credit risks, the following additional limits are implemented for the cover pool:

- by largest single borrower
- by the ten largest borrowers
- by region (German states)
- by total limit for commercial properties
- by selected property types
- by new buildings under construction and not yet capable of producing a yield  
(below the legal limitation)
- by building sites (below the legal limitation)
