

Terms used in the final terms below (the "**Final Terms**") shall be deemed to be defined as such for the purposes of the Terms and Conditions of the Pfandbriefe set forth in the Base Prospectus (and the Supplements thereto, if any) (the "**Terms and Conditions**").

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Pfandbriefe are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("**MiFID II**"); (ii) a customer within the meaning of Directive 2002/92/EC ("**IMD**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Pfandbriefe or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Pfandbriefe or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPS Regulation.

MiFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET– Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Pfandbriefe has led to the conclusion that: (i) the target market for the Pfandbriefe is eligible counterparties and professional clients, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Pfandbriefe are appropriate including investment advice, portfolio management, non-advised sales and pure execution services. Any person subsequently offering, selling or recommending the Pfandbriefe (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Pfandbriefe (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.
