Quick Guide

UC eBanking global

Show potential signees

UniCredit

GENERAL

This Quick Guide describes the new functionality to display potential signees for partially authorised payments.
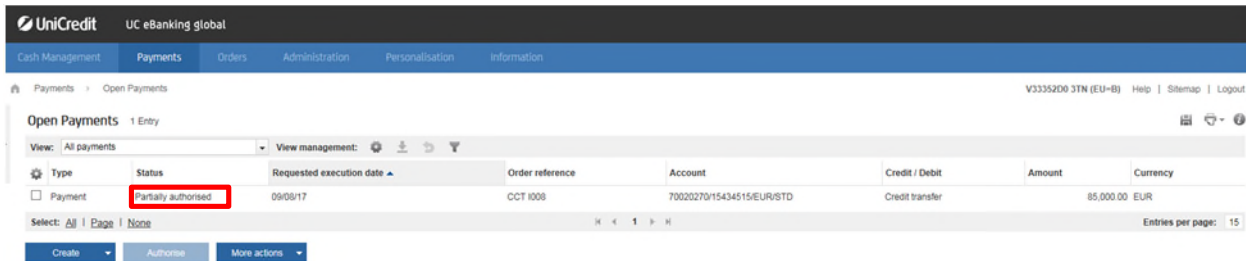

PRECONDITION

None

SHOW POTENTIAL SIGNEES

If "Open payments" include payments where there is already a first signature and they *are* "partially authorised", you can *see* which potential signees are permitted to sign this payment:

„Payments" - „Open Payments"

Click on the payment to see the payment details. Choose "Show potential signees" within the drop-down box "More actions".

You will receive an overview with all potential signees:

Credit Transfer Details: CCT I008 → List Signees   🖫 🖶▾ ❶ Help

Payment details   ▾
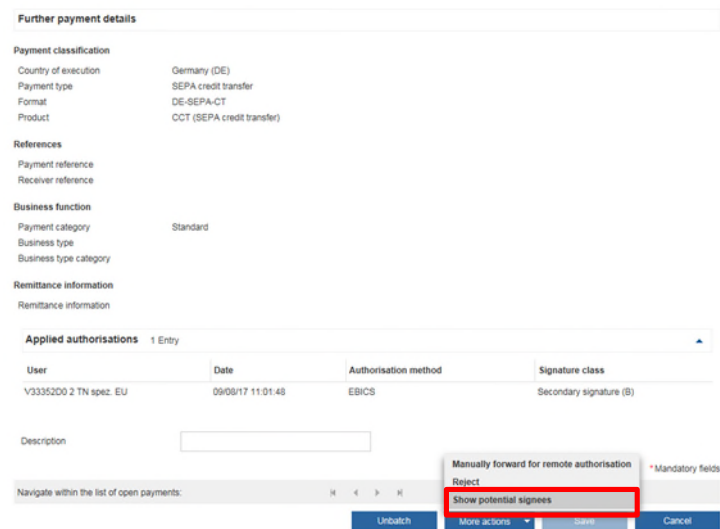

Remitter	Testcustomer for Vers. 3.3.35.2.0
Remitter account	70020270/15434515/EUR/STD
Currency / Amount	EUR (Euro) 85,000.00
